I appreciate you reading this text message. We have many mutual friends including Adam Housley and many others from Fox News. Although I'm not a paid fox contributor, I do appear frequently on the News channel as well as the business channel. I watched your work for years and admire what you wearing on television.

Behind the scenes I do a lot of work, (unpaid) helping to uncover certain stories, my biggest work was revealing most of what we know today about Benghazi.

I'm looking for some assistance on something that happened in Washington I would appreciate if you would give me a call at 972.897.0197.

Of all the people you have met in your line of work you have put me right next to those you view as the most confidential.

I am extremely discreet.

Is there a time I can give you a call this morning?

2017-02-23 07:54 AM

I will give you a call in an hour if that's ok.
(9:00am edt).

Please do. Thank you

2017-02-25 06:10 PM

2017-03-10 04:14 PM

You might consider leaving a message that you have teed up people from the DC police and are anxious to share info with you they won't until eight you present them with the document. Just a thought

Yes I thought the same thing. I called Joel an hour ago and left that msg. Weird!!

2017-03-14 07:27 AM

If you don't get the agreement back this morning I'm going to leave Joel a nice but somewhat uncomfortable message. Basically saying that since we haven't received back the agreement it appears you don't have an interest. I think that will kickstart him I also believe you'll be something that agreement that is going to really piss us off. But I guess we'll see if we get it and when we got it but we need to move on quickly

2017-03-14 07:30 AM

I agree. I too suspect the agreement is going to be chocked with legal stuff. Standing by for when it arrives.

2017-03-14 07:54 AM

Good morning Joel. Just want to follow up with regards to the agreement. Ready to get started today if possible by meeting with the MPD detective. Thanks!

2017-04-25 10:28 AM

Any update ?

2017-04-25 10:29 AM

We just concluded our meeting.

Well ? I am on plane

2017-04-25 10:30 AM

Give me a little idea

Not a bad meeting but he could not admit or deny that emails were found.

2017-04-25 10:31 AM

Did he give us anything new?

Not really.

2017-04-25 10:32 AM

Did he concur that he has been restrained on investigation?

2017-04-25 10:33 AM

I can get my doj guy to get file from cyber yet

Not really. He did say the FBI is not involved.

We know that but they were involved with opening computer

2017-04-25 10:34 AM

I think a natural next step is sy Hersh

He was extremely nervous and worried about his job
He said the FBI has not assisted at all to his knowledge.

2017-04-25 10:35 AM

Why would he be nervous ?

I will call you when i land

2017-04-25 10:40 AM

So in solving this case I need to "rule out" that Seth's death was the result of his job and emails sent to wiki leaks. Can I finally rule that out". (Answer-No). Anything is still possible".

2017-04-25 10:42 AM

Hmmm. He negatively said yes

Exactly. A few times.

Yes. But early in day if possible .

2017-04-25 07:39 PM

My friend running the Russian investigation now with Trey Gowdy wants to connect with you. Can I send in text message introduce you 2?

Absolutely!

2017-04-25 07:41 PM

The White House needs a point person to be the face of all of these investigations. Hint hint.

2017-04-26 08:19 AM

Rod, please share your data birth again and they need your guest name and date of birth this morning.

2017-04-26 08:21 AM

You know I've been thinking more about the conversation I had yesterday with DellaCamera, and here's a thought if emails were not a part of the investigation why does he want to speak with Julie assuage so bad?

2017-04-26 08:23 AM

Exactly. By the way tell him I can help him speak to us on. Can you update that document so we have it all in one place? And I have a way to get you possibly spacethat position at the White House

2017-04-26 08:28 AM

He he wants to speak to him to get the emails because his own department won't give them to him

2017-04-26 08:40 AM

I think he has the emails but he wants to speak to Julian because he wants to see if there is any leads Julian can get him in terms of who could've committed the murder but DellaCamera has the emails

2017-04-27 07:05 PM

Thanks. The report was shocking, ya?

2017-04-27 07:07 PM

Very very much. I think it's important to get in front of the person that I shared his info with you earlier. I think you both have already made introductions to each other.

2017-04-29 08:02 PM

All good?

2017-04-29 08:31 PM

Great

2017-04-29 11:57 PM

2017-04-30 10:45 AM

which Fix people were there

2017-04-30 10:46 AM

Just the regular fox folks mainly from the D.C.
Bureau. Of course Jennifer griffin and Harris
Faulknerlongtime fox friends

2017-05-04 07:24 AM

Sadly adam and Malia and I lost on one story
today because we didn't go out it aggressively
enough.
Once we get the story out, you will be one of the
most recognize names in America. I'm just
saying this is a reminder encouragement. Please
call me after you meet with Dee O.
The main goal with him is to get him to get the
FBI record and give us a wink to go tstory that
the emails are there

2017-05-05 10:30 AM

Just finished meeting with D-O

2017-05-05 10:44 AM

Ok. Just finishing a meeting

2017-05-05 01:40 PM

Ed take a look at the following three companies which are all very strong African-American owned SBA 8a certified tech companies. I'm meeting with the CEOs together of these three companies on Monday, May 15 here in DC. I think there is a huge opportunity for your organization to help these companies with money management or something like that. I do know that all three companies are very financially strong. www.ssicom.com, www.taino.com, www.versatech.com

2017-05-10 04:07 PM

Calling you now

2017-05-10 05:17 PM

Pete just called me. I'm meeting with his team tomorrow morning!

At MPD headquarters.

2017-05-10 10:38 PM

I cant wait to hear from this.. can we chat for a moment prior to you going in?

2017-05-10 10:41 PM

Sure I will call you in the AM around 10am.

2017-05-10 10:42 PM

I need to get in to see Sean spicer to give an update on Friday if I can. Is it ok to cal him tomorrow?

2017-05-10 11:02 PM

of course.. lets make it happen..

2017-05-11 10:31 AM

A lady was the police chief who took a job at the NFL. The Clintons arranged it and she's making \$2 million a year. It was all hush money

2017-05-11 12:40 PM

?

2017-05-11 02:44 PM

Della camera just called me.

2017-05-11 02:55 PM

Give me a call when you can. Della camera just called.

2017-05-14 09:10 PM

Not to add any more pressure but the president just read the article. He wants the article out immediately. It's now all up to you. But don't feel the pressure

2017-05-15 01:11 PM

Just had a meeting I need to tell you about . Did u meet up with Dellacamera ?

2017-05-15 08:28 PM

Aaron rich just called and blast me out!

2017-05-15 08:31 PM

I told you he would

Not Joel but aaron.

2017-05-15 08:32 PM

He said several fox reporters have been calling him. He hasn't talked with Joel

I know. I knew his father will tell him. That only gives us more comfort in knowing that our story is right

I guess the fox Washington people just called him.

2017-05-15 08:33 PM

No he said they caught him this morning

He's a dangerous guy and will probably speak out against the article

Called

That's really odd.

He will he's really already defending everything in the article because he said Fox emailed him a copy of the article already

2017-05-15 08:34 PM

He also said the fact that Donna Brazil card is not a big deal she's been a friend for a long time and they talk often

Called

Who would've done that?

Seems like a revealing way too much of our hand.

2017-05-15 08:35 PM

I sure hope this article gets published early tomorrow nobody should call Aaron . He really doesn't have any credibility because from the beginning he tried managing what we saw but we didn't see and what we wrote on

How did Fox Washington get a draft of the story

?

2017-05-15 08:36 PM

He also said he was very familiar with video from the body cameras and he already has talk to the police officers on the scene. When I asked him which police officers he said he could not tell me

And I don't think fox Washington has the story because I haven't talk to them unless someone else talk to them

I would shut down all communication with that guy

2017-05-15 08:37 PM

Aaron was upset that Joe shared with me that Donna had called him. Aaron said there was no need for me to know that

2017-05-15 08:48 PM

That's bullshit who the fuck does this guy think he is deciding what you should know when what you should do now? Sure looks like Aaron had a roll him his death or possibly in selling the wiki leaks

2017-05-15 10:48 PM

Can you text me Adams number.

2017-05-15 11:15 PM

I just blasted the local reporter! She put that information without me giving her shit. I'm pissed. I talked to Malia too.

2017-05-15 11:27 PM

On the local Fox website it looks like our story.

2017-05-15 11:28 PM

Yes I see what happened. Disappointed.

I'm done Ed. I feel awful. It clearly was not my intent. She pulled my responses to other questions and spliced it to make it appear I was referring to emails. Wow. I feel like a hill.

Keep your head up and keep going forward. The narrative in the interviews you might use is that your and Malia's work prove that the Russians didn't hack into the DNC and steal the emails.

and impact our election.

Comey FBI report is just filled with suggestions ,
innuendos and hypotheticals. his report is what
senators and congressmen used when they said
that the Russians hacked the DNC emails that
destroyed the election for Hillary.

2017-05-15 11:50 PM

I'm alerting Fox and friends about the article so
get ready to get up early tomorrow.

2017-05-15 11:53 PM

I've already called her boss and left a message.
I've known her boss for 20 years. This was
wrong. It really makes me mad Malia because I
did not say anything about the emails. Listen
closely to the story and it sounds like I don't
know about the emails and I was saying we
need more information and cooperation. Many
people are tweeting that I never said anything
about finding emails!

2017-05-15 11:54 PM

Can I do Hannity tomorrow night? They just
called.

2017-05-16 12:07 AM

Yes

2017-05-16 12:25 AM

I'm getting death threats

2017-05-16 12:27 AM

From who?

Multiple places online. Lots of support too.

Some are saying I'm next to die!

2017-05-16 12:28 AM

I just can't win.

A lot of tweets from Robyn about you too online.

2017-05-16 12:37 AM

She's a nut. I responded a little bit because she said I threatened her. Get some sleep

2017-05-16 06:13 AM

Are you going on Fox and friends?

2017-05-16 06:27 AM

Just woke up. Had my phone off. So can I go with the story now or hold off?

2017-05-16 06:28 AM

Fox and friends just had you on from your clip from Fox Washington. Did Fox and friends call you this morning?

Yep

2017-05-16 06:29 AM

I'm not sure what's happening with our story. FOXNews has another story up there based on the Fox Washington report.

I would absolutely go on the show and will find out if our stories getting up or not. But you are certainly front and center on this

2017-05-16 06:30 AM

So to be clear I can talk about the details in Malia's report?

I was told the story was going up on Fox News.com early this morning. I would start heading down and hopefully will find out on your way down there. But somehow we need to retain ownership of the story versus Fox five

2017-05-16 06:42 AM

Can you email me the story Malia submitted so I'm consistent with her latest report. I never got it.

2017-05-16 07:16 AM

If you can, try to highlight this puts the Russian hacking story to rest

2017-05-16 07:31 AM

Can you talk?

2017-05-16 07:32 AM

Yes

2017-05-16 08:38 AM

Just reflecting: we need to emphasize the FBI has a report that has been suppressed that shows that Seth rich did this. With Comey recently being fired this will gain a lot of attention and it's true. Separately the DC police department has the same information and was told to drop the case.

The above and stating that the Russian hacking narrative of stealing the records from the DNC is officially dead.

2017-05-16 09:24 AM

2017-05-16 10:35 AM

The reporter at fox 5 D.C. Just blasted me on the news. I need an attorney immediately to sue the hell out of her. She is trying g to ruin my reputation.

2017-05-17 10:24 PM

I have somebody who will do it immediately.

Larry Friedman and Shauna Izadi.

Call me in the morning and will get them on it immediately. And then will send out a press release that will help you quite a bit if you want

2017-05-17 10:36 PM

That would be great. This reporter just made me look like shit. I talked to her today with her news director and I have the tape as to what was said and I want the world to know!

2017-05-17 11:01 PM

It's on the fox 5 website.

2017-05-17 11:41 PM

I have a plan. I watched it. Let's facetime tomorrow morning early.

From Ed Butowsky

I appreciate you reading this text message. We have many mutual friends including Adam Housley and many others from Fox News. Although I'm not a paid fox contributor, I do appear frequently on the News channel as well as the business channel. I watched your work for years and admire what you wearing on television.

Behind the scenes I do a lot of work, (unpaid) helping to uncover certain stories, my biggest work was revealing most of what we know today about Benghazi.

I'm looking for some assistance on something that happened in Washington I would appreciate if you would give me a call at 972.897.0197.

Of all the people you have met in your line of work you have put me right next to those you view as the most confidential.

I am extremely discreet.

Is there a time I can give you a call this morning?

2017-05-19 05:13 PM

Really quick. Please text me Seymour Hirsch number that i sent you

2017-05-19 05:19 PM

Ed I'd like to chat with you without Malia on the line.

2017-05-19 10:27 PM

Gentlemen
I have contacted some Marines who are now FBI SA's they said it was the Technical branch who work with D.C. Police so they are hunting them down for me.
We tracked down a bridge chain looking for a payment of some kind from Wikileaks but that one was a dry hole. So we are looking for others to track down.
Will touch base tomorrow.

2017-05-20 09:18 AM

For those of you who are interested and have been following this story , please enjoy. I believe this article is fair but still misses many key points.
The story Fox News Channel published is 100 percent correct.
Nothing is wrong with it at all.

The DNC public relations attempt to divert from the facts is masterful but it won't stand up for very long especially when more info comes out VERY soon.

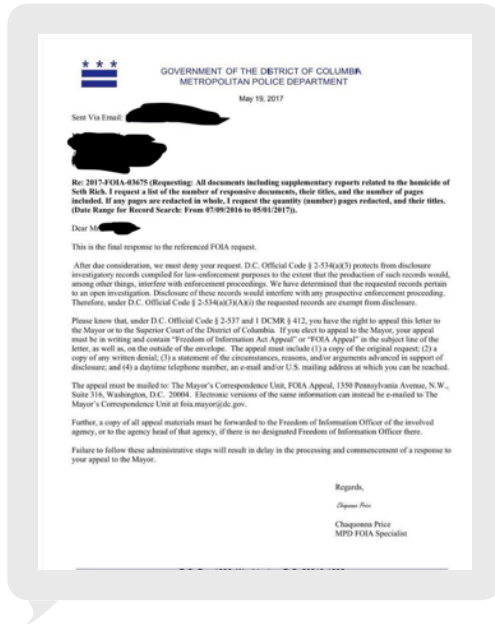

CNN, NBC and Washington Post all purposefully misquoted Rod Wheeler when he said that Fox 5 "misquoted" him. Those outlets reported that Wheeler said Fox News misquoted him thus concluding and barking out the Fox News published story was incorrect.

In this story , as in many others, DNC PUBLICIST Bauman tries to create some conspiracy saying that I knew Rod Wheeler for years and that we conspired to do something mean to the Rich family. Still don't have any idea what my sinister master plan could have been. It is all made up out of nowhere . Bauman is a bad and dangerous man. I remember Mr. Joel Rich (Seth's father) telling me that he was assigned to them and didn't know where he came from. Bauman is paid by the DNC.

Think for a moment, if Seth Rich murder was just a regular robbery gone bad then why does the family have a PR person assigned to them from the DNC to speak for the family.

Last point to make at this time. Rod Wheeler spoke to Joel Rich and Aaron (Seth's brother) each separately for 18 and 21 minutes the evening prior to article from Fox News being published . Both liked it and in fact Joel wanted to supplement the article with some additional info.

All that happened overnight was their DNC publicist "created angst and despair" that didn't exist 9 hours prior.

New Yorkers don't let people screw with them
without a good fight.

2017-06-08 09:00 AM

Here's another thought since you're ignoring me
maybe this will get you to respond. Let's use
your updated notes to help people on
background look into things. And agree that
your notes Will not be distributed publicly.

2017-06-08 09:02 AM

I'm sure you can empathize with me and that I also as a result of all of this crap that happened when the story came out has had my life threatened my children's life threatened and my reputation destroyed.

2017-06-08 09:03 AM

I have tried to figure out the best way forward to help everybody and prove where everybody knows to be the truth. I think everyone is a victim here based on all the events but the best way forward is to work together and satisfy what's needed for everyone to redeem their reputations. Really not sure how I got put in the do not call list from you but please remove me from that list immediately

2017-06-08 09:10 AM

ED..I just want Malia and Fox to apologize to me. Malia knows full well she lied about those quotes from me and as a result, destroyed my reputation and credibility. To add insult to injury, she said to me and you on a call that "her bosses at Fox" told her to add the quotes. I don't believe that either.

2017-06-08 03:29 PM

Just saw where you called. I can't do FaceTime
but I can do a regular call

call me so we can move forward. i spoke to her

2017-06-08 10:04 PM

I have not stopped thinking about this.
I cannot find the story version that was printed
on Fox News .com
Please email it to me if you have it. I am looking
back st old emails to do a comparison for
someone in nyc fox

2017-06-08 10:06 PM

I don't see the " bad quotes" in any version prior
to article being printed

2017-06-08 10:12 PM

I didn't see them either because I never made
the quotes. I first saw these quotes once the
story was published and the damage had
begun. Did you talk to Malia today?

2017-06-08 10:14 PM

I agree. I just cannot find the quotes in any version of the story. Since story got pulled I cannot find the version with the quotes in it. I had it but j cannot find it .

2017-06-08 10:16 PM

I haven't spoken to her. I spoke to moody and adam Housley.
I am trying to recreate what happened.
I am not interested in speaking to her right now... at least until I have this straight

2017-06-08 10:17 PM

I think you sent me version with the quotes in the article but I cannot find it in my emails

2017-06-08 10:21 PM

actually you read it to me yesterday. i did could not find a copy of it on my computer

Ok. I will look again

2017-06-10 05:39 PM

Did you find the quote that you said that you saw all the emails? Can you please send it to me.

I'm flying up to Washington on Monday and meeting with people who will push the story forward.

I'm going to meet with Brad Bauman on

Tuesday as well at his office

Tuesday as well at his office.

The way I see it the number one thing that needs to happen is getting more information out and restoring reputation. You did fantastic at work but no one will know it. As of now , the one thing that I can see that you are disputing is the quote about " you believe there was an exchange of emails between wiki leaks and Seth."

Regardless of whatever you want to do related to that it shouldn't preclude in anyway pushing forward. I'm not sure why you won't share the updated case notes but I really want you to reconsider and share them with me. Those notes will not be given to anyone but will be used to help direct people to write on the story and make you look good.

Rod, this isn't like I'm asking you to cut off your left arm and hand it to me. I'm just asking for updated detailed notes so we can go and restore ourselves and especially you. Do your best to separate your anger towards Malia and Fox from some updated notes to restore your reputation. Remember if you bring a lawsuit there will be discovery and they have text messages from you where you're admitting on May 15 what happened. I really believe that the bad quote came from channel 5.

You can do all the thank you ed's later.. Ha ha

good thing I caught this in time .
my phone must've been set up to block calls
and messages from you. But I fixed it.

2017-06-13 10:01 AM

I am meeting at 2:45 today with Fox five Marina
and her boss. What do you want me to secure
from them?

2017-06-13 10:06 AM

I want the full copy of the UNEDITED tape from
the interview that day including B Roll footage.

2017-06-13 10:07 AM

Ok

2017-06-13 10:08 AM

I just left a meeting with judicial watch. I'm also
meeting with Sara Carter from Circa. The more I
can give them the more they can restore
credibility to the story and to you

Fox five boss. Good guy? That guy? You can tell
me verbally if you want just don't know what I'm
walking into

2017-06-13 10:10 AM

I've never had an issue with anyone at Fox 5. I've been doing segments for them for years. Marina is the only one that ever lied directly to my face. A "Teaser". Yeah right. Exclusive story.

I was warned by other cops to be careful with her.

2017-06-13 10:11 AM

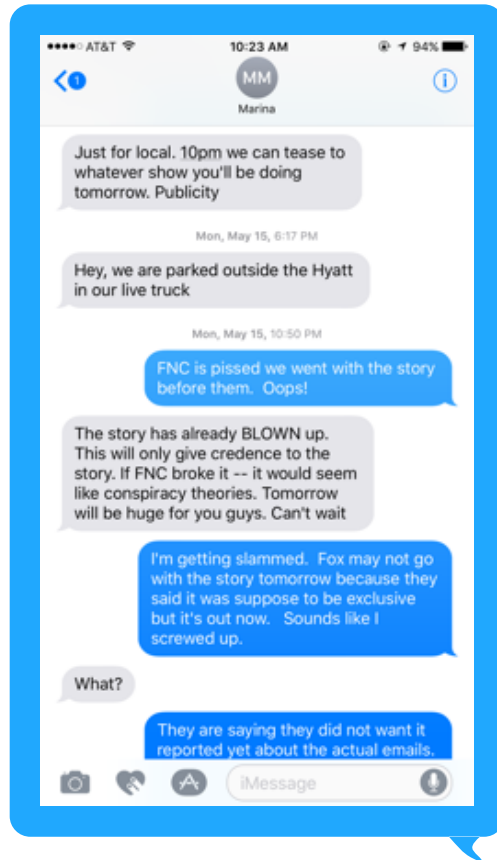

I will also try to get a hold of the original May 15 story. I bet that's where the quote was put giving you Credit for what the federal investigator said. By the way I just learned the division is called CART at the FBI. It stands for computer analysis response team

2017-06-13 10:12 AM

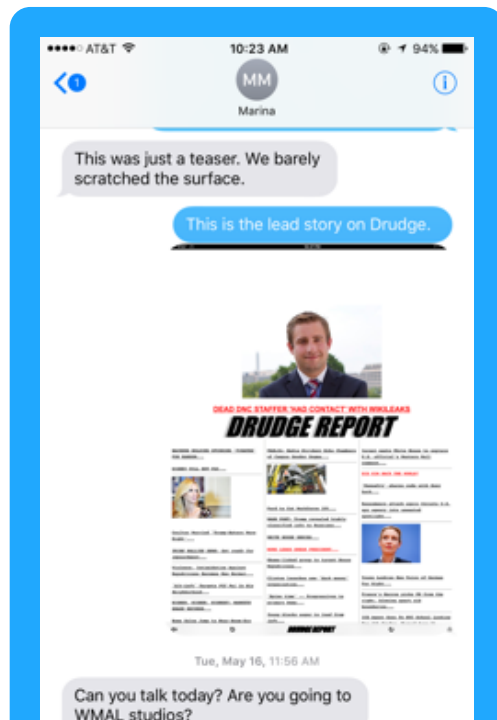

The person I just met with said the same about Marina

2017-06-13 10:13 AM

More than 5 cops warned me. They said she would throw me under the bus to bolster her story. You live: You learn.

2017-06-13 10:25 AM

These are the texts where she said it would just be a teaser. Show them this!

2017-06-13 10:26 AM

I will and anything else you want me to

2017-06-13 10:28 AM

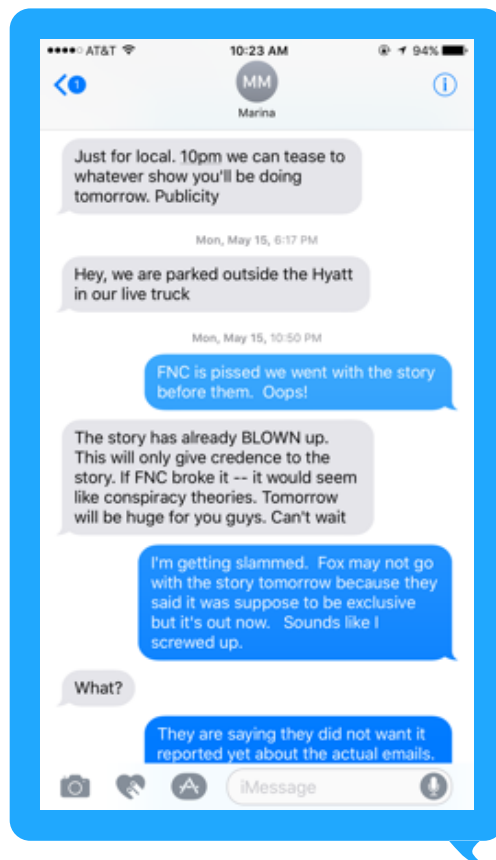

Fox News bosses are aware of these texts. They don't think Morocco need to make decisions for them as to what's conspiracy theories or not. She says this in her texts as to making the decision to go full blown with the story. Again she doesn't need to make that decision for Fox.

2017-06-13 10:32 AM

I'm a little confused. Only one text came through the Drudge Report and I'm not sure what you mean by her decisions.

2017-06-13 10:34 AM

Look at the text that says the story has already blown up. She attempts to justify why she decided to go full blown with the story versus what she said, a teaser.

2017-06-13 10:44 AM

Notice she says in her text 'just for local 10:00pm'. But at 9:48pm she blasts the story out to the world via a tweet!! (Just for local huh?)

2017-06-13 11:25 AM

She's a real problem. The combination of weird stuff continues to blow me away on this

2017-06-13 04:20 PM

2017-06-13 04:22 PM

Just got done at fox 5.
In this story you said the above about learning about the emails between Wikileaks and Seth Rich.

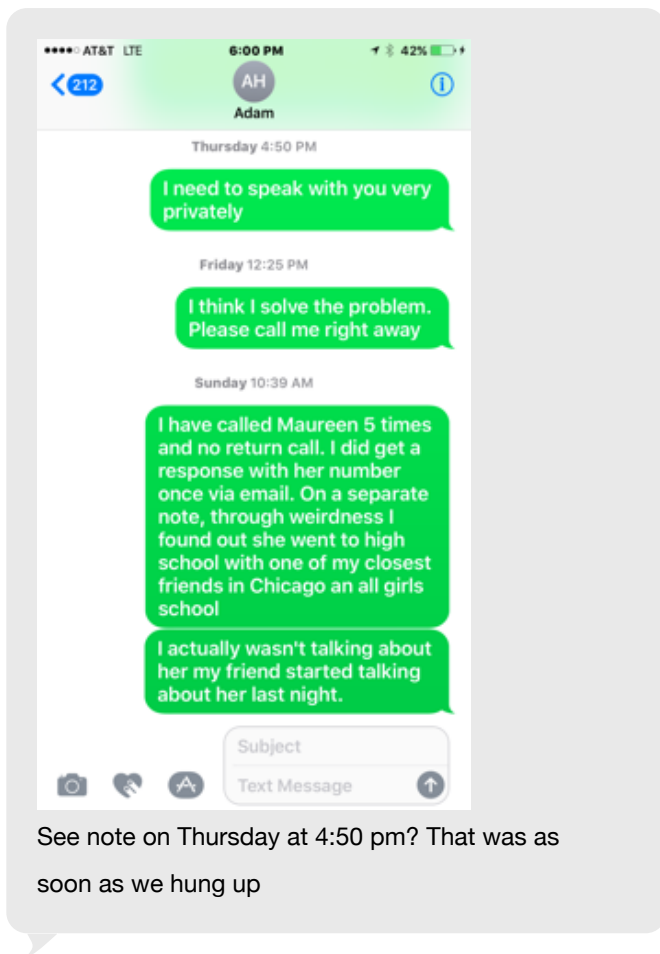

2017-06-13 04:23 PM

how did it go

2017-06-13 04:30 PM

Real well.

2017-06-13 06:01 PM

See note on Thursday at 4:50 pm? That was as soon as we hung up

2017-06-13 06:39 PM

Who is this from

It's from me to adam I was just showing you that when I hung up the phone I asked Adam to meet privately with me over the phone. I'm simply showing you that I don't walk around with a Malia doll

2017-06-14 01:12 PM

Why is someone claiming that Malia and I conspired against you? What the hell is going on

2017-06-14 01:13 PM

I am blown away that somebody is claiming to people at Fox that Malia had anything to do with you being hired by the rich family. Why are you telling people that. You're not being straight with me nor honest.

2017-06-14 06:39 PM

Why did your " lawyer" say that you had dinner with me and the Rich's family in Washington DC along with Malia ?

2017-06-14 06:44 PM

Ed, where are you getting your information from? Im not aware of any of this.

2017-06-14 06:47 PM

You should really find out what's going on Rod.
Because you are being trashed by somebody
real badly

2017-06-14 09:55 PM

Somebody is speaking on your behalf but has
really really screwed your allegations up and It
far surpasses bizarre.
I think you need to identify what is going on.

2017-06-15 04:03 PM

nice article in big league politics . i guess you
have been holding out ...not sure what your
game is nor what the rules are but i hope you
are doing well at it. i guess that " i am always
honest with you , Ed " comment had a time
limit.. ha ha

2017-06-15 07:21 PM

You are a piece of work. Trying to trash me?

Making up stories about me? Making up meeting that didn't take place ? Making up statements that didn't happen.

Making up dinners that never occurred? Making up so much you cannot keep track of your stories.

(btw, the meeting with Ken Paxton was for malia not you . We just let you hang with us)

All this because you leaked a story to a girl you wanted to have sex with.

Now , as you told me last week, that you are trying to squeeze money out of Fox and Malia.

You can judge the true character of a person by how they handle themselves when they screw up and get caught in lies.

You have shown your true character.
